Our Mission

Henderson Health Care Services is a non-profit, community based health care network encouraging wellness, providing medical care and offering long term living alternatives for area residents. Our mission is to provide professional, competent, ethical and compassionate health care, in the name of Christ, to individuals, families and the community. We believe in the sacredness of human life and the dignity and basic rights of the total person. This belief compels those associated with Henderson Health Care Services, Inc. to serve as Christ served, with patience, compassion and love.
