FLOWER GIRLS

Don Saltzman

Don grew up in Shickley, NE with 4 brothers and 4 sisters. He remained in the area most of his life and had a very successful trucking business.

Don, who did not have children of his own, would often volunteer to work on weekends so his family members with children were able to stay home. Don married his late wife, Pat Huber Dick, when he was in his early 70's.

Don has always been close to his nephew, Dayle, who recently purchased the family farmland. Don is grateful for his family and his faith.

Our Mission

Henderson Health Care Services is a non-profit, community based health care network encouraging wellness, providing medical care and offering long term living alternatives for area residents. Our mission is to provide professional, competent, ethical and compassionate health care, in the name of Christ, to individuals, families and the community. We believe in the sacredness of human life and the dignity and basic rights of the total person. This belief compels those associated with Henderson Health Care Services, Inc. to serve as Christ served, with patience, compassion and love.
